Comments? Questions? Concerns?

We want to hear what you have to say!

Please find our new "Suggestions Box" located on the front Sign In table. One of the best ways to keep our families happy, is to hear directly from them. Please feel free to leave your name, or remain anonymous when leaving a note. We want to hear about things you love, like & simply don't care for.

Our BBLC Family is Growing!

As most of you know, our 3, 4 & 5 year old Pre-K classes have been joined together for the past few months. Due to our increasing number of students, beginning Monday, January 30th, we will be separating these classes for their morning academic lesson plan, from 8am-12pm. Mrs. Sarah will continue to be the teacher for the 3 year olds & the younger 4 year olds. Mrs. Jackie will take on the Pre-K 4 & 5 year old students in the classroom across the hall. Mrs. Jackie is very excited about her new classroom & is ready to get our soon-to-be Kindergartner's ready for this upcoming school year. After lunch, the classes will join back together in our current Pre-K classroom for the remaining portion of the day. With this schedule change, comes a new, part-time, afternoon teacher. Please be on the lookout for a new face & be sure to make them feel welcome to the BBLC family. Please see management with any questions or concerns.

Forget the lunchbox?!

No worries! We now offer last minute, prepared lunches for those who forget their child's lunch. Our options include, but are not limited to, Lunchables, PB&J Uncrustables, Kraft Macaroni & Cheese, Capri-Suns, Minute Maid Juice Boxes, & other various snacks. A full lunch with a drink & side snack is \$2.00. Please notify the morning teacher if you are in need of a last minute

Welcome Mrs. Jackie!!

As we welcome Mrs. Jackie Taylor to our BBLC Team, we want to share with you her experience in the field of Early Childhood Education in her biography below:

"I was very blessed to have been able to stay at home & raise my daughter. As my daughter grew, I entered the field of Early Childhood Training. I was blessed to work in both faith based & public schools, which gave me the privilege to work with a wide variety of children. I hold numerous credentials in childcare; I have my CDA Nationals, Florida Child Care & Education Program Director Credential, Director's Credential Operation of an Early Childhood Center, VPK Emergent Literacy, also VPK Director Endorsement Course, to name a few. I have also attended numerous in-service classes in childcare. I truly love what I do & I pray it reflects in your child. Thank you for sharing your little blessings with me."
